## **STUNNING GARMA 2023 PROGRAM BOOKLET RELEASED**

**Wednesday, 5 July, 2023**

The Yothu Yindi Foundation (YYF) is proud to present the official program booklet for the 23<sup>rd</sup> annual Garma Festival.

YYF CEO and Festival Director Denise Bowden said the booklet was a stunning, 100-page, full-colour guide to this year's event, and a celebration of the local community and its language and culture.

"The booklet honours the Djambatj theme and showcases the many and varied ways which Yolngu excellence comes to the fore – in music and art, education and politics, and it serves as a pictorial of the individuals and families who make this region flourish," Mrs Bowden said.

"The booklet is like the festival itself, offering a glimpse into the deep beauty of Yolngu philosophy, and the wisdom of the senior knowledge-holders whose leadership guides us.

"We also pay homage to our former Chairman, Yunupingu, and acknowledge his immense contribution and legacy – something you will see reflected across the four-day program."

In addition to the schedules for all activities across the Gulkula grounds, the program booklet also profiles the many artists and performers taking part in this year's event.

"It's the largest booklet we've produced for Garma, and it matches an expansive program offering that promises an unforgettable experience for our guests," Mrs Bowden said.

“It’s packed with information about the site and the region, and makes for a wonderful momento of the event.”

Garma 2023 runs from Friday 3 – Monday 4 August. Tickets for this year are now sold out.
